Pastor David's last day at NUMC will be *this* Sunday, June 25, 2023. There are various ways you can express your love and appreciation for Pastor David and Holly:

- If you would like to send Pastor David and Holly a card or letter, you may do so by dropping it off at the church office this week.
- We are also collecting contributions towards a cash farewell group gift. If you would like to contribute to this group gift, please do so with a check as follows: make check payable to NUMC, make a notation on the check "Pastor David's Gift," and drop the check off at the church office this week.
- The SPR Committee is preparing a photo/video slideshow to honor Pastor David's time at NUMC. We are requesting photos and short (10-15 sec) video clips be emailed to Kate LaPietra at [kate.lapietra@gmail.com](mailto:kate.lapietra@gmail.com) **TODAY**. Please consider sharing a favorite memory or message of well wishes.
- The SPR Committee is creating a scrapbook for Pastor David and Holly to present to them at the Celebration of Ministry luncheon on June 25<sup>th</sup>. We need your help filling it with memories of our church family! NUMC families are invited to create a personalized scrapbook page to include in this memory book. Blank scrapbook pages have been provided on the back table in the sanctuary, or you can also purchase and decorate your own 12x12 scrapbook page. A collection box is located next to the back table in the sanctuary. We are asking for completed scrapbook pages to be placed in this box no later than **Saturday, June 24<sup>th</sup>**. **Summer Bible Study: Abraham and Lot****Tuesday evenings, starting July 11th**

"There is a way that seems right to man, but in the end, it leads to death" (Proverbs 14:12). We will meet for six consecutive weeks through August 15. We will begin at 7:00 pm and finish about 8:15. The study will focus on the story of Abraham and Lot found in Genesis. It begins with God's call and promise to Abraham and what follows as he and Lot experience the blessings of obedience and the consequences of disobedience in a world of wickedness influenced by sin. The study is participatory and includes readings of the scripture followed by questions for discussion. As always, context, both biblical and contemporary, informs our understanding of relevance for us today. There is no homework or preparation required. Just come with a bible in whatever translation and format you prefer. All are welcome. Bring a friend. The study will be led by David Preusch [dpreusch@yahoo.com](mailto:dpreusch@yahoo.com).

## Moment for Mission

This month our outreach is for [Henderson Settlement](#), which began as a result of a murder trial in 1925 in Frakes, KY, when Rev. Hiram Frakes, dismayed at the lawlessness of the people who refused to lay blame for a number of killings in the area, decided to devote his ministry to “the valley people”. With no land or money, he determined to create a school for all children. He went to his bishop, Theodore Henderson, to lay the groundwork for financial support. Land was donated by land owners and a teacher was obtained. Following the birth of the Henderson Settlement School, another school was built and dormitories constructed for orphans and students who lived too far away to walk. These children would do chores to help pay for their education. A community bonded together to build up the Settlement, counteracting the area’s reputation for moonshining and feuding. Later a church was constructed, a farm was started, a nurse and dentists came on board, along with electricity and a dirt road – progress made possible by the Methodist Board of Missions and Churches around the country. To learn more about this organization, visit [hendersonsettlement.com](#). To donate please make checks payable to NUMC with *Henderson Settlement* in the memo. Thank you for your support.
