### "My Yoke is Easy"

[Matthew 11:30](#)

In this season of summer, we explore the general challenges of life and examine more fundamentally whether our life is meant to be easy or difficult. We will address ways we make our lives more tiresome than necessary and seek how we may rest in God.

### **Summer Bible Study: Abraham and Lot**

#### **Tuesday evenings, starting July 11th**

"There is a way that seems right to man, but in the end, it leads to death" (Proverbs 14:12). We will meet for six consecutive weeks through August 15. We will begin at 7:00 pm and finish about 8:15. The study will focus on the story of Abraham and Lot found in Genesis. It begins with God's call and promise to Abraham and what follows as he and Lot experience the blessings of obedience and the consequences of disobedience in a world of wickedness influenced by sin. The study is participatory and includes readings of the scripture followed by questions for discussion. As always, context, both biblical and contemporary, informs our understanding of

relevance for us today. There is no homework or preparation required. Just come with a bible in whatever translation and format you prefer. All are welcome. Bring a friend. The study will be led by David Preusch [dpreusch@yahoo.com](mailto:dpreusch@yahoo.com).

### ***Janus Center for Youth in Crisis***

This is a program of the Council of Churches of Greater Bridgeport to assist young people ages 11-17. The program provides intervention services for youth and their families to deescalate the crisis, reunite families, keep the youth in school and out of the juvenile justice system. Social workers have regular office hours in eight public schools in Bridgeport and Stratford, and work with the faculty to identify students in need of intervention. They provide a 24-hour youth in crisis hotline, counseling, and referrals to necessary services. The Janus Center has host families to provide short-term respite care for youth who cannot return home immediately and aren't under state care. The staff consists of two social workers and is supplemented with interns from the social work programs of local universities. Please make checks payable to NUMC and indicate "Janus Center" on the memo line. children who have to be removed from their home are often required to attend a new school as part Thank you for your support of this great program.
